

Hesitant Over Post Of Bail

Remington in
Innocent Plea;
Collateral or
Cash Required

NEW YORK, June 13—(AP)—William W. Remington, resigned government economist, pleaded innocent today to a perjury indictment charging him with lying when he denied to a federal grand jury that he ever was a Communist.

Federal Judge John W. Clancy set July 5 for naming the trial date. Remington resigned from his Commerce Department post after being threatened with ouster proceedings.

Clancy set \$5,000 bail for Remington and gave him two days to raise the bond.

Remington's lawyer, Bethuel Webster, told the judge that professional bondsmen have refused to post bail for the defendant because "a loyalty question is involved."

He told reporters later that 14 surety companies had been asked to put up bail for Remington and all have replied they would post bond "for prostitutes and murderers but never where loyalty is questioned."

Clancy set the \$5,000 bail demanded by Thomas J. Donegan, special assistant to the U.S. attorney general, despite a plea by Remington's lawyer that the amount be cut in half. The attorney said his client "always has appeared whenever he has been summoned by the FBI or the grand jury."

Two Days Grace

The judge gave Remington the two days grace, however, after Webster said:

"The defendant has got to arrange for cash or collateral. He is on the point of getting some money from his mother and he will need at least 36 hours."

Remington remained silent except to reply "not guilty" in a firm voice when asked how he pleaded to the one-count indictment.

If convicted he would face a maximum sentence of five years in prison and a \$2,000 fine.

Remington also was accompanied at his arraignment by Joseph L. Rauh, Jr., Washington, D.C., attorney who argued a loyalty review board appeal in 1948, after Remington first was accused of Communist affiliations. He was cleared of the charges as a result of the loyalty board review.

The charges were brought as a result of statements by Elizabeth T. Bentley, self-described former Soviet spy ring member, who said Remington gave her information to be passed on to the Russians.

Secretaries of C of C to Meet

The Missouri Commercial Secretaries Association will hold its annual meeting at the Hotel President in Kansas City Sunday, Monday and Tuesday.

Chamber of Commerce managers from Missouri, Oklahoma and Arkansas will attend the meeting.

On Monday afternoon problems of the various Chambers of Commerce will be discussed with John F. Zander, secretary-manager of the Sedalia Chamber of Commerce, as the moderator. A panel discussion will also be held on Tuesday morning on industrial development with Dwight Bedell, director of the Industrial Research Division of Kansas City, Mo., as the moderator.

Among the principal speakers on Sunday will be D. Hodson Lewis, of Dallas, Tex., Paul Good, of Washington, D. C.

Tom Collins, of Kansas City, will be the principal speaker at the banquet Monday night.

Blueshirts Break up Rally

DUESSELFORD, Germany, June 13—(AP)—Communist Blueshirt youths, swinging chairs, rushed an election rally platform here last night and broke up a meeting of the Right-Wing Free Democratic party.

They prevented a speech by a former German tank general, Hans-Eckard Von Manteffel, who wants west Germany to be included in Western Europe's defense system and German sovereignty recognized.

The meeting was a rally for next Sunday's Provincial elections in the Ruhr State or North Rhine-Westphalia.

Amerasia Key Figure at Hearing

Philip Jaffe (left), key figure in the 1945 Amerasia case, talks with Sen. Theodore Green (D-RI) in Washington just before testifying at a closed hearing of the Senate foreign relations sub-committee. Jaffe was the editor of the now defunct Amerasia magazine. In 1945 government raiders found hundreds of confidential government papers in the New York offices of the publication. (AP Wirephoto)

Thirty-nine on Plane Down Are Missing

C-54 Skymaster
Dropped Into The
Persian Gulf

PARIS, June 13—(AP)—Air France said today "it is feared that all hope is lost" for all but six of the 51 passengers and crew of a C-54 Skymaster plane that ditched into the sea near Bahrain in the Persian gulf last night.

Survivors include four men, a radio operator and the chief pilot Jean Fladek who was seriously injured when the plane came down into the sea three miles off the runway at Bahrain island after it had already been given landing instructions.

The bodies of four men and two women—all still unidentified—were recovered by fishing boats. Still missing are 38 persons, including one infant.

The plane was making a hop from Karachi, Pakistan, to Cairo, Egypt, when it was forced down in the sea.

Details Lacking
Company officials here said they still had no details of the accident. A first message had said eight persons had been saved, but this apparently was an error. Communications with the area are sketchy.

Air and surface craft took part in the search for survivors. An air France spokesman said here he believed a British Royal Air Force rescue unit at Bahrain had joined the search. U.S. Air Force officers in Cairo said the American air-sea rescue unit at Dhahran, Saudi Arabia, presumably would join the operations if this was requested.

Inquest in Truck Driver's Death

SPRINGFIELD, Mo., June 13—(AP)—An inquest was being held this afternoon into the death of an Aurora, Mo., truck driver who was killed when his truck was rammed Sunday afternoon by an auto occupied by three youths wanted in connection with an Indiana murder.

The trio, James Edward Chalm, 17, Earl Michael Kelly, 16, and Carroll Dooley, 25, all of Indianapolis, Ind., were nabbed here shortly after the car stolen from the murder victim smashed into a milk truck.

All signed statements admitting the killing of Albert M. Thayer, 45-year-old former prosecuting attorney and assistant to the Indianapolis sheriff, Greene County Sheriff Glenn Hendrix said.

Chalm and Kelly were scheduled to be returned to Indiana following the inquest late today. Dooley, who was injured in the crash, probably will not be able to make the return trip for several days.

All three have been charged with first degree murder.

Three Killed in Helicopter Crash
SOUTHAMPTON, England, June 13—(AP)—A 24 passenger Cierva Air Horse helicopter—described by its makers as the world's biggest—crashed and burned on a test flight today. The pilot and two passengers were killed.

Japanese Industry at Post War High
TOYKO, June 13—(AP)—General MacArthur today reported Japanese industry hit a post war high in April, surpassing the industrial tempo of 1932-36.

This is the second consecutive month in which the 1932-36 mark has been bested.

Disappointed As to Position Of British

Ruling Rejecting
Coal-Steel Pooling
Plan a Surprise

By John M. Hightower

WASHINGTON, June 13—(AP)—American officials privately expressed sharp disappointment today at the ruling British Labor party's rejection of British participation in the Schuman plan for European coal-steel pooling.

However, State Department authorities said there was no prospect that the United States, although strongly favoring the Schuman plan, would threaten to withhold Marshall plan funds or use other means of pressuring the British government into going along.

Secretary of State Acheson told a news conference last week that he does not consider it a good thing to use one foreign policy program to try to force acceptance of another.

There is speculation here, however, that the Labor party's stand may create a major political issue in Britain—particularly if conservative party leaders take the opposite side.

Six nations have arranged for talks June 20 on ways of carrying out the proposal advanced by Foreign Minister Schuman of France.

Schuman suggested that other European countries go along with the arrangement provided they would accept the responsibilities of reducing trade barriers, modernizing their coal-steel industries and stimulating production.

A few days ago Britain's Labor government indicated an interest in the proposition but declined to take any direct and responsible part in the international negotiations.

The Labor party's action—although not an official government declaration—has now in effect rejected it so far as Britain's taking any immediate part is concerned.

Situation Troublesome
The party declaration brings to sharp focus a situation which has long proved troublesome in European-American relations; essentially the situation is this:

The United States has long con-

Anxious to Keep The Alleys Clean

Complaints have reached the city sanitation office, pertaining to glass, cans, and other debris being thrown into city alleys, causing fires on automobiles and trucks to be punctured or gashed while driving through them.

It was explained that many motorists have to drive down alleys in order to drive their cars in the garage.

Drivers of the city garbage trucks report that they have to stop their trucks often in alleys, particularly in the south and west end of town, and clear cans, glass, etc., before moving on down the alley.

It was further reported that three heavy duty tires of the city garbage trucks had to be either vulcanized or replaced, after being damaged by unnecessary debris in the alleys.

CIO Committee Pledges Allison Support
ST. LOUIS, June 13—(AP)—The St. Louis CIO Political Action committee at a meeting last night pledged full support of the candidacy of Emery W. Allison of Rolla for the Democratic nomination for U.S. Senator from Missouri.

The strike against the World-Telegram and Sun, one of New York's largest evening papers with a reported circulation of 600,000, was called by the CIO American Newspaper Guild in a wage dispute.

Nearly 400 editorial and office employees launched the strike at 4:30 a.m. (EST) and set up a

(Please turn to Page 6, Column 4)

C of C Offices to Be Open for Circus Ticket Purchasers

The Chamber of Commerce office will be open this evening for the convenience of those who have not purchased their tickets to the circus and would like to do so.

The Weather

Warm this afternoon, high near 90. Partly cloudy and warm tonight, low near 70. Wednesday, showers in the forenoon, highest in 80s.

Temperature: 7 a.m., 72 degrees; 2 p.m., 80 degrees.

Thought for Today
Why gaddest thou about so much to change this way? Thou also shalt be ashamed of Egypt, as thou wast ashamed of Assyria.—Jeremiah 2:36

Dinner Meet For Jaycees

Members of the Junior Chamber of Commerce will hold their regular dinner meeting in the Pioneer Room over Dan's restaurant, Thursday evening at 6:15 o'clock.

John F. Zander, secretary of the Sedalia Chamber of Commerce, will give the main talk before Jaycee members, with the speaker's theme to be, "Factors of Future Developments of Sedalia." Bert Hahnway is program chairman.

The business meeting will be presided over by Bob Wall, president. Following the dinner and business session, a social hour will be held.

Cohn Starts Legal Action Against Smith

Ex-K. C. Police Board
Member Seeks
Writ Of Certiorari

KANSAS CITY, June 13—(AP)—Legal action against Gov. Forrest Smith was started Monday by R. Robert Cohn who is fighting a dismissal as a member of the Kansas City police board.

Cohn's served formal notice that he intends to apply for a writ of certiorari June 20. The law requires that formal notices be filed at least five days before the petition is filed in the Missouri supreme court.

Governor Dismissed Cohn
(A writ of certiorari would require the governor to bring into court the records involved in the ouster in order that any errors or irregularities might be corrected by the court.)

Governor Smith dismissed Cohn from the board May 2 in a shake-up which was completed by appointment of an entirely new board following charges that racketeers had attempted to take over the police department.

Cohn today sent copies of his five-page petition to the governor, Secretary of State Walter H. Toberman and Kearney Wornall, who was appointed by Smith as Cohn's successor.

First Such Action Taken
Cohn said it was the first time a writ of certiorari action had been attempted against a Missouri governor.

In his petition, he asserted he had been dismissed without cause. He alleged the governor had not complied with the statute creating the police board, which requires that charges of misconduct must be filed and heard before a board member can be dismissed.

Cohn was appointed to the board by Gov. Phil M. Donnelly, Smith's predecessor, to serve four years until 1951.

Gain Shown by Three Counties

MEXICO, Mo., June 13—(AP)—Audrain county's population increased five per cent, from 22,673 to 23,829, in the last decade, preliminary census figures show.

Callaway county also increased from 23,094 to 23,171, Harvey S. Clapp, district supervisor reported. The other counties in the Ninth congressional district showed losses: Montgomery, 11,544 as compared with 12,442 in 1940. Linn, 12,804 and 14,395; Monroe, 11,351 and 13,195; Ralls, 8,662 and 10,040.

Mexico, Audrain's county seat, had a 28 per cent gain, moving up to 11,611 from the 1940 figure of 9,053.

Expect Business to Stay Good; An Upward Trend

NEW YORK, June 13—(AP)—They guess it's for keeps, not for fun. Here's how they're laying their bets.

The business survey committee reports to the purchasing agents' 35th annual convention that a spot check shows that 53 per cent of the agents foresee continuing good business to the end of the year, but with a mid-year leveling off. And 23 per cent more look for business to continue good through the third quarter, but expect it to drop off during the last three months of the year.

Doubt Serious Inflation Threat
The others took short-range views only 17 per cent guessing only to the end of July and seven per cent only through June. The committee says most of these were in the soft goods industries.

As for prices, many expect the general commodity level to go up some more, but few think real inflation is a serious threat just now.

R. C. Swanton, committee chairman, who is director of purchases for the Winchester Repeat-

Unofficial Figures on Sedalia Population Show 20,269

The 1950 unofficial population in Sedalia is 20,269, or 159 less than the official population of 1940, according to figures released late this afternoon by O. P. Keller, Springfield, supervisor of the census bureau for the Sixth District. The official population, in 1940, was 20,428.

To the 1950 unofficial figures,

Pettis County	31,478	33,336		
County Housing	10,863	10,318	546	
Number Farms	2,614	2,534	80	
Sedalia Housing	7,091	6,445	646	

released today, will be added the names of Sedalians registered from Washington, D. C., those in the military service, or temporarily residing elsewhere, but whose permanent addresses are Sedalia. This number, it is believed, will bring the total figure in excess of the 1940 official figure.

Other figures released are:

1950	1940	Gain	Loss
31,478	33,336		1,858
10,863	10,318	546	
2,614	2,534	80	
7,091	6,445	646	

Easy Victory in West Germany

BONN, Germany, June 13—(AP)—West Germany's government won an easy victory today in a test vote on its proposal to join the Council of Europe.

The vote was taken on a motion to move the measure along the calendar toward a final vote Thursday.

Only two tiny right wing factions joined the Social Democrats and Communists in a show of hands against the proposal. These four parties together control only 155 of the 402 seats in the lower house (Bundestag) of parliament.

The vote, while not conclusive, was indicative of the temper of parliament. It came after Chancellor Konrad Adenauer urged approval of the European Council invitation in the interests of world peace. He had told parliament refusal of West Germany to join would wreck attempts to form any sort of European Confederation.

Denial Made By Pioneer

No Underworld
Tie-up Declares
News Service

WASHINGTON, June 13—(AP)—William Molasky, part owner of the Pioneer News Service, denied to senate investigators today that distribution of racing news in St. Louis is controlled by the underworld.

Molasky told staff members of a special senate crime investigating committee:

"There are no gangsters, mobsters, racketeers or other persons of questionable character connected with, interested in, or employed by Pioneer News."

Pioneer News distributes horse news in and around St. Louis, Missouri. Attorney General J. E. Taylor has told senators such establishments as Pioneer are controlled by a syndicate which in turn is in the hands of a "vicious criminal element."

On the basis of Molasky's statement to the investigating staff, a meeting of the full committee was called later (1 p.m. C. S. T.) to hear Molasky testify under oath.

President Truman, who has promised full cooperation to the investigation of big-time gambling and crime, was reported about ready to open a great store of information to the committee.

Chairman Kefauver (D-Tenn.) told reporters he expects the president to issue an executive order at any time now. The order would give senators access to confidential income tax returns and other government data on known and suspected underworld figures.

Chief investigator Harold G. Robinson told reporters Molasky will be questioned by senators about the operations of Pioneer News and personal investments by Molasky and his wife in the Western Union Telegraph company.

Mr. and Mrs. Molasky are reported among the largest individual shareholders of Western Union stock.

Judge Conkling Succeeds Clark

JEFFERSON CITY, June 13—(AP)—Supreme Court Justice Roscoe P. Conkling, formerly of St. Joseph, was named presiding judge of Division One of the state's highest court today. He will serve two years.

Judge Conkling succeeds the late Judge Albert M. Clark as head of the division. Judge Clark died last Friday.

Other judges in the division are Chief Justice Laurence M. Hyde and Judge S. P. Dalton.

In a memorial resolution the Supreme Court praised Judge Clark: "broad background of distinguished general practice and outstanding public service."

Increase by St. Charles

ST. CHARLES, Mo., June 13—(AP)—Official census figures announced yesterday show that St. Charles county has a population of 29,777, a gain of 165 per cent in ten years. A population of 14,307 representing a gain of 32.4 per cent, was listed for the city of St. Charles.

Swift Action on Rent Bill

Continuation of
Control on a
Local Option Plan
Is Predicted

By Francis M. Le May

WASHINGTON, June 13—(AP)—Republicans made a hammering attack in the House today against continuing federal rent controls. Democrats argued for it.

There were conflicting claims, too, as to the prospective outcome of the vote on the bill, possibly to be taken late today. Rep. Allen (R-Ill.) said "It will not be passed." Speaker Sam Rayburn told newsmen the administration has enough votes to win.

The House bill is similar in most respects to one passed yesterday by the Senate, 36 to 28.

The bill, which would keep alive the last of the major wartime controls, on approximately 8,000,000 dwelling units, mostly in big cities, would work like this:

1. The Federal Rent Control Authority, due to expire June 30, would continue for a year.

2. But the controls would cease automatically in six months, on December 31, in all communities that before that date did not decide affirmatively, through a vote of the local governing body or a referendum of the citizens, to continue the rent ceilings on to June 30, 1951.

3. Any community could vote itself out from under controls any time before December 31. No community could restore controls after they were lifted.

Considered Best Possible

House Speaker Rayburn (D-Tex.) told President Truman he is confident the House will pass the bill. The administration had asked for a straight extension of the present law, but Banking Committee Chairman Spence (D-Ky.), a strong administration supporter, said the compromise local option bill "in my opinion is the best we can get through the House."

Rep. Wolcott of Michigan, senior banking committee Republican, predicted the House vote will be close.

Administration leaders overrode Republican opposition yesterday to press the measure through the Senate. On passage there, 30 Democrats were joined by six Republicans in support of the bill. Opposing were 23 Republicans and five southern Democrats.

WASHINGTON, June 13—(AP)—Rent controls is "unAmerican, unfair and discriminatory," Rep. Short (R-Mo.) said today.

He told a reporter he will oppose legislation to extend rent controls when it reaches the House, probably today. A rent control extension bill passed the Senate yesterday.

"There is no excuse for rent controls on a national scale," he said. "It has been turned into a racket. The tenant has more control over property than does the owner. It penalizes the frugal, hard-working people and takes from those who have to give to those who haven't."

Short said rent controls undoubtedly were needed at one time during the war, but said he does not believe that is true now in most of the nation.

Denial Soong Has Resigned

NEW YORK, June 13—(AP)—T. V. Soong's secretary said today the former premier of China had not resigned from the Chinese Kuomintang party.

The central committee of the party announced last week from Taipei, Formosa, that it had accepted the resignation of Soong, who now is in New York. Taipei is the headquarters for Chiang Kai-Shek's exiled nationalist regime.

The secretary, C. S. Lee, said Soong had not submitted resignation and had no intention of doing so. He indicated Soong would issue a statement within the next few days clarifying his position.

This Is Engineer Week By Proclamation of Gov. Smith

JEFFERSON CITY, June 13—(AP)—This is engineer week by proclamation of Gov. Forrest Smith. He issued a proclamation today paying tribute to the 175th anniversary of the Corps of Engineers. That is the branch of the Army in charge of flood control work on the Missouri and other navigable streams.

Former Trenton Mayor Shot Himself

TRENTON, Mo., June 13—(AP)—Coroner William A. Fuson said Stanley Stioff, former mayor of Trenton, shot himself to death at his home yesterday.

Stioff was a dispatcher for the Rock Island railroad 40 years. He was mayor from 1943 to 1947.

Forty-eight Die In Floods and Slides

TOYKO, June 13—(AP)—At least 45 persons have lost their lives in continuing floods and landslides accompanying the week long torrential rains sweeping the Toyko area.

Seventeen others are reported missing and 10 injured.

Board of C. of C. to Meet

A board meeting of the Sedalia Chamber of Commerce will be held at 12:10 o'clock Friday afternoon at the Bothwell hotel.

Connie Mack Honors At All-Star Game

"Honorary Manager" And Will Toss Out First Ball July 11

CHICAGO, June 13—(AP)—Connie Mack, observing his golden anniversary in major league baseball, will be an "honorary manager" and toss out the first ball at the All-Star game in Comiskey Park, July 11.

President Will Harridge of the American League today disclosed that the venerable leader of the Philadelphia A's would be guest of honor in a be-ribboned box at the 17th All-Star classic.

White Sox Host Park
Harridge, also representing Commissioner A. B. Chandler and National League President Ford Frick, discussed All-Star game details with Vice-President Charles Comiskey and General Manager Frank Lane of the host Chicago White Sox. The original All-Star game was played at Comiskey Park in 1933.

The Sox representatives said 48,500 seats would be available for the game scaled at \$5 each for 3,700 box seats, \$3 for 37,000 reserved grandstand and \$1 for 2,200 bleacher seats. No standing room will be sold.

All seats may be obtained by mail, the application addressed to box 6307, Main Post Office, Chicago 80, Illinois, with checks or money orders payable to "1950 All-Star game."

Net proceeds of the game, for the fifth straight year, will go to the baseball players' pension fund. The American League team will be directed by Manager Casey Stengel of the world champion New York Yankees and the National League by Burt Shotton of the loop champion Brooklyn Dodgers.

Nation-Wide Poll of Fans
Each squad will be limited to 25 players, the leading eight—excepting pitchers—to be named for each team in a nation-wide poll of fans directed by sports editors Arch Ward of the Chicago Tribune.

The poll opened today with 270 newspapers and radio stations co-operating. It will close midnight, Saturday, July 1.

Harridge said the game will be broadcast and televised, but that details would be announced by Commissioner Chandler.

Games time July 11 will be 1:30 p. m. (EST). In event of postponement, the game will be played the next day, July 12, beginning at 12 p. m. "Just don't mention that," was Harridge's laughing reply when asked what happens if rain causes a double postponement.

There never has been an All-Star postponement, yet.

Missouri And Kansas All-Stars To Wichita

WICHITA, Kas., June 13—(AP)—Kansas and Missouri high school all-star basketball teams will meet here tonight with the Kansas boys shooting for their second victory over their opponents.

The Kansas all-stars won the first game between the two teams at Springfield, Mo., Saturday night 62 to 47.

Pacing the Kansas team to victory at Springfield were Rich Young of Salina's state class AA championship team, and Jesse Priscock, Emporia. Young chalked up 21 points and Priscock counted 14.

Other members of the Kansas squad are: Bob Rice, Larned; Paul Scheer, Wichita St. Marys; Ron Blue, Wellington; Walt Prince, Pittsburg; Bob Godwin, Beloit; Weston Johnson, Newton, and Gary Thompson, Wichita East.

Missouri squad members are Ed Detherage, Joplin; Dan Finch, St. Louis Kirkwood; Billy Holst, Sedalia; Alfred Howard, Ozark; Billy Hogue, Southwest City; Don Snyder, Clinton; Frank Kirby, Springfield; Don Hammond, Washington, and Jim Miller, Stoutland.

Sees English a Universal Language
SINGAPORE—(AP)—If Chinese had been written in romanized characters 2,000 years ago, it would now be a universal language, Professor Jou Bie-nning, of the University of Amoy, said in Singapore.

"English is a very sensible language and will one day become a universal language," he said.

42 Coeds in Quest of Women's Golf Title

COLUMBUS, O., June 13—(AP)—Forty-two coeds teed off this morning over Ohio State University's long scarlet course in quest of the 1950 Women's National Collegiate Golf championship.

Grace Lenczyk of Newton, Conn., and John B. Stetson University, was heavily favored to win. She has been a finalist the past three years and winner of the tourney in 1948.

Miss Lenczyk was paired with two other sharpshooters, Carol Clark of Wyoming, O., a Miami (O.) University star, and Pauline Martin of Ohio State.

An 18-hole qualifying round was to be played today with the 16 low scorers entering championship match play Wednesday. The 1950 title will be determined Saturday.

The 1949 champion, Marilyn Smith of Kansas won't be defending her crown. She turned professional a week after winning last year's collegiate.

Graziano Ready For His Title Shot

June 13—(AP)—If fighting action June 12—(AP)—If fighting action and mental attitude mean anything, Rocky Graziano is better prepared today for a title shot than at any other time in the last five years.

The hard rock from New York's East side had five fights from March through May. That represents more ring activity for Rocky than he has had in any year since 1945 when he started his meteoric rise to the top.

And his mental outlook is far better than in years. No suspension problems to bother him and not too much finger-pointing at his past escapades.

His camp has the boisterous atmosphere of some of the training grounds of the carefree gladiators of the golden twenties.

The pranksters abound and Rocky's spirits go up with each trick. Only yesterday, a couple of the boys heaved co-manager Jack Healy, clothes, wristwatch and all, plunk into the lake.

Healy's sputterings were worth ten rounds of strenuous drilling to Rocky's conditioning program.

The fact that he has had five fights shows up in his sparring here. He looks trimmer and sharper. He is hitting hard as usual but is throwing punches faster than in many years.

He's still got 15 days to go before he steps into the Polo Grounds ring with middleweight champion Jake Lamotta but he could be ready a week before that if it was necessary.

Indians Beat Pirates In Exhibition Game

PITTSBURGH, June 13—(AP)—Larry Doby and Joe Gordon belted home runs last night as the Cleveland Indians routed the Pittsburgh Pirates 8-4 in an exhibition game played for the benefit of the Pittsburgh Community Chest. Young Dick Rozek held the Pirates scoreless until the ninth when a four-run rally chased him from the mound.

South American is New Pro Tennis Champ

CLEVELAND, June 13—(AP)—Francisco Segura, a little fellow who wore out and whipped the two best big men in the game, is the new national professional tennis champion.

The five-foot-six, 140-pound Pancho, who will be 29 a week from today, is the first South American to win the pro net crown. He won it by defeating Frank Kovacs of Oakland, Calif., last night in the finals of the 23rd National Professional Tennis Tournament.

Kovacs' six-foot-two, 200-pound physique couldn't stand the pace set by the mighty mite from Ecuador. The handsome Californian suffered leg cramps and called it quits in the fourth set.

At that time Segura led two sets to one and the games of the fourth set were tied 4-4.

The finish was even more dramatic than in Segura's semi-final victory Sunday night when big Jack Kramer, 1948 pro ruler, wearily folded up in the fifth and deciding set against the tireless Pancho.

Segura won the first set 6-4, and dropped the second one to Kovacs 6-1. Pancho broke Kovacs' serve in the 13th game at love then held his own to cop the third set 8-6.

After about an hour's delay, Kovacs was able to return to the court and with Welby Van Horn of Philadelphia defeated Segura and Frank Parker of Milwaukee in the doubles final 1-6, 6-4, 6-4.

Detroit Team is 1950 ABC Bowling Champion

COLUMBUS, O., June 13—(AP)—Detroit's Pepsi-Cola entry is the team champion of the 1950 American Bowling Congress tournament.

By rolling games of 987-976 and 989 for a 2832 total on May 18, Pepsi-Cola managed to win the ABC tourney's team event with the lowest score since the Commodore Barry squad from Chicago turned in 2906 back in 1916.

Pepsi-Cola won first prize money of \$2,500. In addition, each team member will receive a \$200 diamond-studded medal and the team sponsor will get a trophy last night—the 59th day of the worth \$1,000.

Team bowling ended at the ABC tourney. Doubles and singles will be rolled throughout today with the last two-man events slated to begin tonight.

ABC officials said many low scoring teams will be surprised when they receive prize checks. Before the last 72 teams took the coliseum floor last night, a score of 2364 was still in the money, the previous low team score to cash in was 2638 in 1940 at Detroit.

Finishing in second place in the event was Harry's Men's Wear of Norwood, O., a Cincinnati suburb, with a total of 2938, rolled in mid-April, which was good for a \$2,000 prize.

Athletics Will Not Be Sold This Year

PHILADELPHIA, June 13—(AP)—The Philadelphia Athletics will not be sold this season.

But the Philadelphia American league club managed by Connie Mack during its 50-year history is for sale at the right price, the club owners announced yesterday.

And James P. Clark, trucking executive and president of the Philadelphia Eagles of the national football league, reiterated a syndicate he heads is preparing an offer.

A management statement said that the club owners will listen to any bonifide offers when they are presented.

"But even if we should receive an attractive offer, one worthy of consideration, it would take months to straighten out the details in connection with such a transaction."

The A's owners have put an asking price of \$5,000,000 on the

Segura New National Pro-Tennis Champion

CLEVELAND, June 13—(AP)—Francisco (Pancho) Segura of Ecuador won the National professional tennis championship last night by defeating when legs cramped forced Frank Kovacs of Oakland, Calif., to quit in the fourth set.

Segura held a 2-1 advantage in set were tied at 4-4 when the match was called off and Segura declared the winner. Pancho won the first set 6-4, lost the second 6-1 and overcame a 1-4 deficit to win the third set 8-6.

Valley Forge Prepares For The Boy Scouts

Jamboree Will Have 47,000 June 30 to July 6

PHILADELPHIA, June 13—(AP)—The population of Valley Forge, Pa., will be multiplied more than 235 times late this month when the Boy Scouts of America hold their second and greatest national jamboree.

For the week of June 30 to July 6, some 47,000 Scouts and their leaders will converge on the historic site where Washington encamped with his weary Continental army in the winter of 1777. Valley Forge now has a permanent population of 200.

The last national jamboree in this country drew 27,000 Scouts to Washington, D. C., in 1937. This one will be almost twice as big, national Scout headquarters in New York announced.

Nearly 100 special trains will be required to bring the visiting Scouts from all parts of the country. Also 570 other Scouts will be coming from 14 other nations as guests.

All told, the boys and their leaders will pitch tents over 625 of the 2,033 acres of Valley Forge, which is 24 miles northwest of Philadelphia. The "tent city" will be five miles long at one point.

President Truman, honorary president of the Scouts, will open the jamboree June 30. That evening a huge pageant will be held, telling the story of Washington at Valley Forge. Other scheduled activities include exhibits, demonstrations of Scoutercraft, religious ceremonies for all faiths and fireworks and pageantry for July 4.

The jamboree will climax the 40th anniversary of the Boy Scouts of America, which this year is embarked on a crusade to "strengthen the army of liberty." Dr. Arthur A. Schuck, chief Scout executive, points out "few things could do more to stir the souls of boys than camping and living on the hallowed ground" of Valley Forge.

To be eligible to attend the jamboree, Scouts must be at least second class in rank and 12 years old. A fee of \$40 pays for food and all facilities of the jamboree camp, exclusive of transportation and extras.

Divided in Sections
The jamboree grounds will be divided into 1,292 sectional camp sites, each of which will accommodate 34 troops. Each troop will have 35 scouts or explorers and three adult leaders. Each section will have its own service tent, post office, health lodge and shower facilities.

The boys will do their own cooking over charcoal fires and eat off paper plates. Scout headquarters in New York is planning on staggering amounts of food.

Two freight car loads of breakfast cereals, 40,000 dozen eggs, 400,000 quarts of milk, 5,000 gallons of ice cream, 85,000 loaves of

Surprise

When Dick Ryan's tennis ball hit an old golf clubhouse at Des Moines and rolled under the roof, he figured it would be a simple matter to retrieve it from an open end. As he peered in, Dick saw this raccoon. Dick dislodged the ball with a racquet and the 'coon departed. (AP Wire-photo)

bread and 56,000 dozen rolls, 100 tons of meat, including 25 miles of frankfurters; 160,000 cans of vegetables, 48,000 cans of soup, 131,000 cans of fruit and fruit juices, truck loads of fresh vegetables, 23 tons of sugar and 4½ tons of salt.

If hospital care is needed, the army has made available its hospital at Phoenixville, Pa., seven miles from the jamboree camp. Each scout is expected to be examined by a doctor before he leaves for the jamboree and each will get another examination on arriving at Valley Forge.

In addition to the activities planned at the site, Scouts will be invited on tours of historic places in Philadelphia, Washington, New York, Boston, Chicago, St. Louis and other cities they pass through to and from the jamboree.

Dr. Saunders Applies For Reinstatement

CONCORD, N. H., June 13—(AP)—Dr. Hermann N. Sander has applied for reinstatement of his license, taken from him by the New Hampshire board of registration in medicine shortly after he was acquitted of a murder charge.

In revoking the license of the 41-year old Candia physician, the medical board said he could apply for reinstatement on June 19.

The medical board had taken Dr. Sander's license away from him for conduct detrimental to the profession several days after a superior court jury acquitted him of murder in the death of Mrs. Abbie C. Borroto, 59-year old hopelessly ill cancer patient.

Another Death From Tulsa C-47 Crash

TULSA, Okla., June 13—(AP)—Alma Puckett, 61-year old janitor for the Spartan school of aeronautics, died of injuries suffered when an air force C-47 plane crashed into a school barracks where he was working Saturday.

His death was the second caused by the accident. Amuel A. Kerr, 59, died several hours after the crash.

J. W. Long, 57, a school guard, received minor injuries. The plane, based at Scott Field, Ill., and carrying 18 persons, ripped into the building when its

WAITING FOR A GREEN LIGHT—The Rev. Meyer Imperiale of Melrose, Mass., is an ordained minister waiting for a call that will give him a permanent pastorate. In the meantime, he's supporting himself and family by working as a signalman for the Boston and Maine Railroad. Imperiale is seen tending his crossing.

power failed on a take-off. None aboard the plane was hurt.

Kill A Coyote From A Plane

LAMAR, Mo., June 13—(AP)—Harold Konantz and Jerry Shelton shot a coyote from their plane.

In doing so they also shot one of the tires of the plane. They

landed safely on one wheel at the Nevada airport.

The men will get \$5 bounty for the dead animal to apply on a new tire.

Cactus plants are used to produce various drugs, soap cleaner, water softeners, and a boiler compound.

Quick Thinking Of Girl Saves Boy

BIRMINGHAM, Ala., June 13—(AP)—Quick thinking and fast running by a teen-age girl Sunday saved the life of a toddling boy who fell into a foaming ditch.

Everybody else rushed to the spot where Johnnie Shores, 2, fell into the rushing water. Doris Jean Schatz, 17, streaked for the entrance to an underground culvert three blocks away.

Doris Jean grabbed Johnnie's apparently lifeless body a few feet before he would have disappeared from sight. She lifted him to the bank and began artificial respiration. Forty-five minutes later he opened his eyes.

Word about the rescue didn't get out of the neighborhood until today.

Johnnie was playing with a sister, 4-year old Carol, when he fell into the overflow torrent from a water works plant.

Johnnie had floated under a street intersection, through a block of homes, and under another intersection before Doris Jean caught him.

Bud Klink Returns From Fishing Trip

Bud Klink, 521 West Seventh street, returned home Sunday from a week long visit to Lake Kabetogama, Minn., where he and two fraternity brothers at the University of Missouri went for a vacation after school was out June 2.

While there the boys stayed at Pine Crest Lodge at Ray, Minn. The two who accompanied him were John Dawson of Granite City and Bill Spangler of Clinton. During their stay the boys caught a total of 85 fish mostly wall-eyed pike and northern pike. They caught 41 fish the last Sunday they were there.

All the boys went home Sunday June 11, and will resume their studies at the university next fall.

Atlantic City's famed boardwalk is eight miles long and 60 feet wide.

It is said that the banana tree really is an herb.

Spelling Is Neglected In Pennsylvania—Too

BETHLEHEM, Pa., June 13 —(AP)—Dr. Lawrence Whitcomb of Lehigh university has decided it's time to teach his geology students something about spelling.

The professor said he made the decision after examination papers of 92 students turned up 18 different misspellings of the word, "Appalachian."

Here is how some students interpreted the word: Applenchean, Appalactions, Appalchians, Appalechins, Appalation, Appellation, Appalachin, Al-lachian, Appalachian, Appilation, Appilachian, Appalacht, Appli-cachin, Apalation, Appalachin, Appelachian, Appalachin.

Virginia and Ohio each have given seven presidents to the United States.

Sedalia, Mo.

Mrs. Elder
Mrs. Thelma Elder, 708 Bryon Street, S.E., Atlanta, Georgia is 26 years old and the mother of three small children. For a time, she thought that her duties as a mother and housewife were just too much for her to handle. She felt so bad that she did not feel like doing anything. Then, she heard the blessed news about HADACOL and life again seems worth living.

Mrs. Elder was suffering from a deficiency of Vitamins B1, B2, Niacin and Iron, which HADACOL contains.

Here is her statement: "My stomach had been bothering me and I did not have any energy. My back bothered me and I did not feel like doing anything. There were times when I did not have any appetite. I started taking HADACOL and it has done me so much good. I have been taking it for several months and my stomach is doing fine. I feel good, and have lots of energy and my back is all right. I surely do praise HADACOL—it has done so much good for me."

Hundreds of Doctors
...have prescribed HADACOL for their patients. Have requested quantities of HADACOL for their own clinical use and for their own families. The fact that HADACOL is scientifically formulated, compounded with precious Vitamins and Minerals (in liquid form), help to account for its increasing acceptance by doctors.

Make up your mind to take HADACOL regularly. Refuse substitutes. Insist on the genuine. There is only one HADACOL. You can't lose a cent, because it's sold on a strict money-back guarantee. You'll feel great with the first few bottles you take... or your money back. Only \$1.25 for Trial size. Large Family or Hospital size, \$3.50.

It's Super

for Stretched-Out Mileage!

Friends, it's amazing how gasoline mileage can s-t-r-e-t-c-h o-u-t... when you OIL-PLATE your engine with new Conoco Super Motor Oil!

Proved by 50,000-Mile Road Test! In a punishing 50,000-mile road test, engines lubricated with new Conoco Super Motor Oil showed amazing economy of operation. Gasoline mileage for the last 5,000 miles of the test-run was actually 99.77% as good as for the first 5,000 miles. Proving that Conoco Super Motor Oil—with proper crankcase drains and regular care—can really s-t-r-e-t-c-h o-u-t gasoline mileage!

Come in and let me tell you about "50,000 miles no wear!"

Social Events

Mr. and Mrs. Johnnie Bowman attended the production "Thrills of a Century" at the Starlight theatre in Kansas City Saturday night.

A buffet dinner was served after the presentation at the home of Mr. Bowman's sister, Blanche Ralph, in honor of his birthday anniversary.

Sunday afternoon Mr. and Mrs. Bowman were guests at a dinner celebrating their wedding anniversary at the home of her mother, Mrs. Lissie Cavin. The couple received many nice gifts.

Church News

The T.E.L. class of the East Sedalia Baptist church will have an all day meeting Thursday with a covered dish luncheon. Hostesses are, Mrs. Earl Parker, Mrs. O. Y. Thomas, Mrs. Everett Kelley, Mrs. Pinkpank, Mrs. L. R. Mills is the president.

The T.E.L. class of the First Baptist church will have a covered dish luncheon at the church at 12:30 on Thursday. Group three, Minerva Alcorn, captain, will be in charge.

Members are asked to bring dishes according to the number of the family attending.

The Women's Guild of St. John's Evangelical and Reformed church met June 7, at the church for its monthly meeting with 19 members, three children, and one guest.

The meeting opened with a reading by the president and the devotional was led by Mrs. Clarence Bremer.

The theme of the worship service was "On the Distaff Side," by Mrs. Elmer Houchen.

Prayer by Mrs. Heinz Michelkowsky.

The business meeting was presided over by Mrs. Ray Baughman.

A fellowship supper will be held Sunday evening at 8:00 o'clock in honor of the fathers.

The meeting was closed with the Lord's Prayer.

Hostesses for the July meeting were Mrs. George Hotsenpiller and Mrs. Oscar Oehrke.

The Dresden's Women's Society of Christian Service met Wednesday afternoon, June 7th with Mrs. Charles Romig of the worship program, "Why Our Gift is so Needed." The following took part in the program: Mrs. Bryon Oswald, Mrs. Elmer Rhine and Miss Mary Stine.

The business meeting was presided over by the club president, Mrs. Romig. Mrs. C. E. Ferguson gave a report of the meeting she attended at the district conference in Sedalia.

The following officers were elected for the coming year: President, Mrs. Charles Romig, Vice-president, Mrs. Frank Van Natta, Secretary, Mrs. John Earl Farris, Treasurer, Mrs. O. E. Edwards, Secretary of Literature, Mrs. Charles Pletcher, Corresponding Secretary, Miss Mary Stine, Secretary of Mission, Mrs. George Oswald, Secretary of Christian social relations and local church activities.

Mr. and Mrs. Tommy Coffman, who were married Sunday, May 14. Mrs. Coffman was formerly Miss Shirley Frederickson, daughter of Mr. and Mrs. William Frederickson, 1217 East Broadway. Mr. Coffman is the son of Mr. and Mrs. George Coffman, of Spring Fork. (Photo by Lehmer.)

ties, Mrs. J. E. Dunn, and Reporter, Mrs. Earl Farris. Refreshments were served by the hostesses, Mrs. N. W. Dorance and Mrs. Bryon Oswald. The next meeting will be held July 5th.

The regular meeting of the Woman's Missionary Society of the First Baptist church will meet at 2:15 o'clock Thursday afternoon at the church.

Mrs. A. C. Bell will give the devotional, and there will be special music after which Mrs. William Reed will present the program.

A nursery will be provided for the children.

Mrs. E. W. Bartley, 806 West Sixth street, has as her house guests, Mrs. J. N. Ross, Mrs. Margaret Harper and Miss Florence Baker, all of Sikeston.

On Wednesday Mrs. Bartley and her guests will drive to Lexington where they will spend the day in the home of Mrs. Harry Calloway. They will be accompanied back to Sedalia by Mrs. Calloway where all will be entertained in the Bartley home until Friday.

Meeting of Pettis Players Postponed

The meeting of the Pettis Players which was to have been held Wednesday night has been postponed for a week and will be held instead at 7:30 o'clock Wednesday evening, June 21, in the Chamber of Commerce office.

Officers and board members will be elected at this meeting.

Try Cardui yourself, and enjoy the wonderful new comfort it may offer by helping to establish a muscular action free from cramping contractions. Ask your dealer for Cardui today!

Expect Business to Stay Good; Upward Trend

(Continued from Page One)

ing Arms Co., says: "Many of us were caught with our inventories down when the production upswing started in March. Increased production requirements forced many buyers to add to their inventories. But there is no stockpiling in anticipation of future scarcities or price increases."

The association's president, T. A. Corcoran, purchasing agent of the Louisville Courier Journal and the Louisville Times, says: "In spite of the fact that business is booming now and we seem to be entering another inflationary spiral, I think it will be of short duration."

A merchants group is taking a highly qualified look at inflation today, too.

"This year is likely to set new business records," says a special bulletin issued in New York by the National Retail Dry Goods Association. "This seems likely, if for no other reason than we seem to be heading into a new period of inflation."

The association warns its 7,500 member stores in the nation to avoid inflationary price increases because of public reaction, and to guard against the effect of inflation on store inventories.

Warnings against inflation are also sounded at the purchasing agents convention. Dr. Edwin C. Nourse, formerly chairman of the Council of Economic Advisers to the president, tells the buyers that the nation may already be in the first stages of a price inflation.

"An accelerated price rise leading to a runaway boom could be followed by a genuine depression and brutal deflation," he says.

Dr. Nourse particularly fears as inflationary policies the government's deficit spending and the unprecedented expansion of credit which supports the boom in durable goods and housing.

But the majority of his hearers apparently believe that in spite of the rise in some commodity prices there will be no inflationary runaway. They are guessing that business will level off this summer and stay good for most of the rest of the year.

Home From Work With Census Bureau

Mrs. D. Kelly Scruton, 724 West Third street, who has been in Springfield for the past two months where she was editor-in-chief of the census bureau for the Sixth Congressional district, has returned home.

Mrs. Scruton also attended the wedding of her niece, Mrs. Bonnie Jean O'Toole to Forrest W. Garrison, in Kansas City, the past week.

Miss Betty Perdue, 21, daughter of Mr. and Mrs. James L. Perdue of Dallas, Texas, and granddaughter of Mrs. John H. Perdue, 1003 West Third street, Sedalia, who was graduated from the School of Journalism, University of Missouri, last week. Attending the graduation were her parents, her sister Miss Peggy, a student nurse at St. Luke's hospital, Kansas City and her grandmother.

The family has gone to Boulder, Colo., for a vacation and will leave there on about July 4 for New York for a visit before returning to their respective homes. In December, Miss Perdue was the girl of the month at the university and the school paper carried a large picture of her, listing her activities as follows: "Senior in Journalism... President Y. W. C. A.... Secretary of Theta Sigma Phi, Journalism honorary sorority... chairman Association of Women Students... chairman of Skirt Swing, all school dance for women... chairman Student Government association council and athletic committee... J. L. Tomey Journalism scholarship... Secretary of Religion in Life Week... Kappa Epsilon Alpha freshman honorary... vice president of Alpha Gamma Delta two years.

Purchased Insurance Agency

J. W. Watts purchased the Asher Insurance Agency, as of June 3. Asher will continue to work with the Watts Insurance Agency for the time being.

Making Tour of The Turner Farm

A group of fertilizer manufacturers of St. Louis and Kansas City are visiting the Melvin Turner farm, four miles west of Sedalia today. They are touring the farm for the purpose of inspecting the grass, which was sowed on the fields there, during the Grow Grass program held on the Turner farm in September of 1948.

The tour is in charge of Arnold Klemme, extension specialist at the University of Missouri.

Degree From M. U. To Miss Banning

Miss Emily Banning, daughter of Mr. and Mrs. Walter Banning, route 5, Sedalia, was graduated Friday with a bachelor of science degree in home economics from the University of Missouri. Miss Banning is a member of the Phi Upsilon Omicron National Home Economics Honorary Fraternity.

Attending the commencement were her parents, her brother, Ralph Banning and her grandparents, Mr. and Mrs. E. W. Brubaker, 1704 East Sixteenth street.

Will Attend Farm Bureau Training School

Mr. and Mrs. Harry Morrison, 615 West Fourth street and William McCune of Springfield, will leave Saturday morning for Sturgeon Bay, Wis., for a week to attend the Mid-West Farm Bureau training school. Mr. Morrison is organization director for

the Farm Bureau in Pettis county and Mr. McCune is chairman of membership.

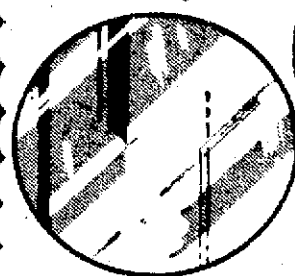

Scout Board Meet Postponed

The Boy Scout Board of Review which was scheduled for Wednesday night, will be postponed until next Wednesday, due to the circus coming to town this Wednesday.

Elected Pressmen's Secretary At a special meeting of the Sedalia Printing Pressmen and Assistants Union, Local No. 301 Monday afternoon, Richard Arbuckle was elected secretary.

Griffith Brewer, of London, is said to be the first Englishman who ascended in an airplane.

• The Washington Merry-Go-Round
Congressman Wood Solved Servant Problem by Putting Domestic on Gov't Payroll
By Drew Pearson

WASHINGTON.—It's a peculiar thing about Congressman John S. Wood, the Georgia Democrat whose office took a \$1,000 fee from a crippled boy for getting a \$10,000 compensation bill passed by Congress after the boy was hit by a U.S. Army truck.

The peculiar thing is that financially Wood is well off. As most Congressmen go, he is affluent, and his wife is a member of one of the big textile families of north Georgia.

Yet, on top of the fee from Ralph Stanfield, the Congressman also enjoys a neat arrangement whereby he put his colored servant on the congressional payroll.

In other words, the servant served in the home of Congressman Wood while paid \$50 a week by all the taxpayers. This is a way to solve the servant problem which every housewife would relish.

Here is how the Congressman manipulated this piece of gravy.

The servant's name is William Fowler and he has been attached to the Wood family for years. When the Congressman became chairman of the Un-American Activities committee in July 1945, he promptly shifted Fowler from his personal payroll to the payroll of the committee as a janitor.

Fowler's salary—paid by Uncle Sam—was \$191.86 a month, which is not bad pay for a janitor, especially since he spent most of his time at the Wood home rather than at the capitol. However, he did appear at the committee rooms from time to time.

Fowler stayed on the Un-American Activities committee payroll until Jan. 4, 1947. This was exactly the date that Congressman Wood ceased to be chairman. The Republicans took over and after that the post of janitor was abolished.

The Republicans apparently felt that a janitor was not necessary, though Parnell Thomas, then chairman, padded the payroll in various other ways and is now in jail.

Unique Law Partner

It is also interesting that Congressman Wood kept his law partner, Carl Tallant on the government payroll as his office assistant for \$7,022.

Even the greenest Congressman knows that it is illegal for a Congressman to take a fee in any case against the government; nor is his law office supposed to take such a fee if the Congressman is in any way involved.

Most Congressmen separate themselves from their law offices as soon as they are elected, as for instance, Senator McMahon of Connecticut. However, Wood's law partner sits right in the Congressman's office, drawing a \$7,022 salary from the taxpayers. And enjoying this unique capacity, he exacted a fee of \$1,000 from crippled Ralph Stanfield, immediately after the latter received his government compensation.

No wonder Congressman Wood immediately told the boy's father to keep the matter very quiet.

California Crime

One of the most crushing defeats in the history of California politics was administered last week to the Republican attorney general, Fred N. Howser. Not only was he overwhelmingly defeated for the Democratic nomination, but he also ran last for the nomination in his own party.

This was a significant fact in the California crime cleanup. For while Governor Warren has done his best to clean up California's serious crime cancer, he has been powerless to do much because of the fact that his attorney general is independent of the governor and solely in charge of state law enforcement.

The attorney general race, therefore, was locally almost as important as the race for governor; and here is one backstage factor responsible for Howser's crushing defeat.

Two years ago this commentator called Howser the friend of the gamblers, and described some of his alleged operations with the gamblers. Howser waited about a year and then sued for libel. Inside fact is that he didn't want to sue, actually wrote a letter to his Washington attorneys, Herbert Bingham and Roger Robb, pointing out that a California court had indicted some of his agents in connection with the gambling racket, therefore the suit might not be wise.

Bingham and Robb, however, wrote back that this should not deter him from suing Pearson; so the suit was filed.

Later, however, when Attorney General Howser's deposition and others were taken, one phase of my charges against him were proved—namely, that he was a friend of the gamblers.

With this part of his libel suit obviously lost, Howser went into court and asked permission to drop this part of his case, and Justice Bolitha Laws, of the U.S. District of Columbia court, let him get away with it.

However, the fact that Howser had stuck his neck out by claiming he was not the friend of gamblers and then, by withdrawing one part of

his suit, was forced to admit, in effect, that he was the friend of gamblers was not lost on the voters of California. They let him have it with both barrels and on both tickets.

Nomad Prisoners

A heart-rending story of how 106 Jewish refugees, who fled first from the Nazis, then from the Communists, finally landed at Ellis Island, was unfolded to President Truman the other day by Rep. Manny Celler of New York.

The refugees escaped Nazi tyranny before the war and settled in Shanghai. Then a new terror beset them as the Red Army overran China. Again they fled—this time hoping to find sanctuary in the United States.

However, immigration authorities at San Francisco couldn't clear them since they had no passports. So the 16 homeless men, women and children were put aboard a "sealed" train and taken across the continent to Ellis Island for deportation back to Germany.

During the trip they looked out of the train windows at what to them was a land of dreams. They could see the majestic Rockies, the broad prairies, the fertile, well-kept Iowa farmland, the Mississippi, the great industries of the east.

But they couldn't leave the train. The doors were locked and guarded.

"The tragic thing is that they are so close and yet so far from the one thing they seek—freedom," Celler explained to the President. "Though in the greatest home of liberty, they are still prisoners."

The New York Congressman urged that the 16 Nomads be allowed to remain in the United States until his displaced persons bill becomes law—after which those who passed a "screening" test would be allowed to make permanent homes here.

Much moved, Truman said: "These people are not sacks of potatoes. They are human beings. We've got to help them."

California Primary Results Put Warren in National Spotlight
By Bruce Bioassat

Gov. Earl Warren's tremendous vote-getting performance in the California primary once more stamps him as a man with a bright future. Because he piled up nearly twice as many votes as James Roosevelt, the Democratic nominee, he must be rated a distinct favorite for reelection to a third term as governor this fall.

And if Warren does capture this prize again, he will establish himself as a big factor in the 1952 Republican presidential race, whether or not he chooses to be a candidate.

By 1952 California's huge population gains will be translated into more than half a dozen new seats in Congress, which means in turn that its delegations to party nominating conventions will be swelled by perhaps 14 to 18. It will pack almost as much weight as New York and Pennsylvania.

Should a victorious Warren decide to run for president, he would, of course, command this strength for himself and would likely have the Washington, Oregon and perhaps other western delegations in his camp as well.

Though such a beginning would be no guarantee of his nomination, it would put him in a very strong bargaining spot. Warren's voice would have to be reckoned with in the final GOP choice. This would be true, indeed, even if he controlled only his own big delegation.

A Warren triumph this November would have the same import for the Republican future as would a victory for Gov. James Duff's hand-picked successor in Pennsylvania.

Warren has been a progressive governor who must be classed with the liberal wing of his party. The same holds for Duff. Together, these two could go a long way toward blocking the 1952 nomination of any man they felt did not reflect their own progressive sentiments.

Warren's primary showing thus strengthens the hand of GOP liberals continuing a trend that has been unmistakable throughout the primary balloting of 1950.

His fall opponent, Jimmy Roosevelt, will be no push-over. For a time it looked as if Warren might repeat his feat of 1946 and capture both GOP and Democratic nominations for governor—which is possible under California's cross-filing system. But Roosevelt, fortified by an intense street-corner campaign, proved too strong for that.

Roosevelt undoubtedly will wage a fall campaign with similar energy. But he will have a few handicaps. President Truman hasn't forgotten that Jimmy wanted General Eisenhower for the 1948 Democratic presidential nomination. And many leading Democrats within California are not enthusiastic over their nominee.

On top of those drawbacks is the powerful evidence of Warren's hold on Californians of both parties. The governor polled well over half a million votes on the Democratic side. Roosevelt has a big task cut out for him.

Long Time Coming

Americans can be thankful that at last a liberalized displaced persons measure is assured. Under legislation finally approved by Congress and considered certain of President Truman's signature, another 135,000 European DP's may be admitted to the United States.

Present law allows entry of 205,000 and we have already given haven to more than 150,000 of these. Furthermore, language in the existing law that seemed to reflect religious and racial bias has been modified.

If the President signs, new entrants to the U. S. may be selected from a broader range of national and religious groups.

The final passage of the new DP bill was a victory for the many elements in American society which wanted it. And it was a defeat for Senator McCarran of Nevada, whose blind obstructionism stalled for almost a year and a half a worthy measure that ought to have been enacted by the spring of 1949.

• So They Say

It (is) our duty . . . to concert more forcibly and tenaciously our efforts with those of the other democratic peoples . . . if we are to prevent a conflict.

—President Vincent Auriol of France, toasting George VI of England.

Matt. 13:25—26, 33—34; 7:15—20

DIVIDED LOYALTIES
We come now to the ninth major enemy of the 15. Divided Loyalties. This major enemy is akin to the one we have just been discussing—insincerities—and yet it is different. One may be truly sincere and at the same time find within himself divided loyalties. He may not be covering anything—even from himself—and yet he may face the fact that he is trying to divide his loyalties between mutually exclusive things. Whether the enemy be covered insincerely or frank divided loyalties, in either case the result is the same: the abilities, the effectiveness, and the happiness of the individual are canceled out. There can be no abundant living with inward division. And yet how prevalent are divided souls. We believe in God with the top of our minds, but down deep at the bottom we obey something else as the way of life. We live by what Dr. Thomas Kelly called "sawdust arrangements and compromises between our allegiance to the surface level and the Divine Creator." Again, he says: "We are trying to live several selves at once, without all our selves being organized by a single mastering life within us."

"I sometimes think there are two of me,
A living soul, and a PhD."
A Supreme Court justice said to me as I was about to leave him: "We should discuss this subject for six hours. I am in a dilemma. For three days of the week I am a conscientious objector, and four days of the week I'm not." And since he believed in majority rule he was an ardent militarist, smothering the conscientious objector, but not quite happy over the murder! There are many of us living on a bare majority—four to three—and with little or no power left over to put into operation the decisions of the majority. How much stronger we would be if we were living unanimously—all our life energies devoted to one great end.
O God, my Father, I am tired of being worn out by inward conflicts before I get to my problems. I expend so much energy on myself that there is no plus to use in my real problems. I have become the problem. I must be unanimous for Thee. If Thou didst ever help me, help me here. In Jesus' name. Amen.

(From the book "Abundant Living" published by Abundant-Living Press of New York and Nashville. Copyright. Released by NEA Service.)

NOTE TO READERS.—We are advised by our feature service that with the coming of summer the wave of interest in religious features has passed its peak and that present plans call for dropping the E. Stanley Jones feature, "Abundant Living." A substantial vote of all clients is required to keep this feature in the newspapers.

The only way we have of finding out whether the Democratic Capital readers want this feature continued is to have a substantial number of them vote "Yes." So let's hear by return mail from you readers of "Abundant Living."

The Doctor Says—

Problem of World Starvation Is Cause For Serious Debate

BY EDWIN P. JORDAN, M. D.

Written for NEA Service
There are over two billion people inhabiting the world and all of them must eat to live. Without food people will starve. If they do not have enough food or the right kinds of food, including minerals or vitamins, they cannot stay healthy. Consequently, as human beings not only must we strive to have enough food for everyone, but also to have it so distributed that there is enough everyone will get his or her share.

Today we hear much about farm surpluses in the United States, but at the same time, there are millions of people in various parts of the world who are not getting enough to eat and who are not getting the right kinds of food. This is a problem of distribution.

About 150 years ago, an Englishman by the name of Malthus prophesied that so many people were coming into the world that in a comparatively short time the food which could be grown on the land would not be sufficient to support them, and that large numbers would die of starvation. At that time the population of Europe was about 187,000,000 and is now about 550,000,000; 150 years before Malthus the population of the world was approximately 500,000,000 and in 1949 was about 2,000,000,000.

Of course, Malthus was proved wrong—at least so far. The reason he was wrong is that he could not guess that the world would be so successful in producing more food on the land and finding new lands for food production. This does not mean, however, that the world can go on supporting more and more people indefinitely.

Is the end of our ability to feed the peoples of the earth getting close? This has been the subject of many learned discussions but the answer is difficult.

Need Proper Food

In order to maintain good health enough food containing the right kinds of minerals, vitamins, and other necessities must be available. If this is not the case as is already true in some parts of the world, there will be starvation.

What can be done about this is a matter of debate, but it is a fact that there is some point of population growth at which the land will no longer be able to supply everything that is needed to keep people well nourished. Everyone should be vitally interested in this important question.

Dr. Jordan will answer questions from his readers in special column once a week. Watch for it.

"Madam, I'm not congress and I haven't a daughter who sings—what's more, I can't afford to eat my own meat at present prices!"

SMEAR CAMPAIGN

By Edwin Rutt
Copyright 1950 by NEA Service, Inc.

THE STORY: Bill Jarvis is engaged to Bev Coulter, his daughter, and he is spending his vacation at his employer's guest resort, a swank summer resort. He meets Mrs. Fasker, an elderly retired woman novelist who tells him that someone has been passing around malicious gossip about her. Mrs. Fasker, who is also vacationing at the resort, promises Mrs. Fasker to "be nice to her."

And don't forget, Bill, I was a noted sob sister in my time." They reached the hotel. Bill placed Mrs. Fasker in charge of a uniformed lackey who trundled her off in her wheel-chair.

FOR a moment Bill stood admiring the view from the front of the Inn. Below him Lake Lookout was a stretch of deep cobalt, ringed by the soft dark-green of countless pine trees.

Bill gave himself a figurative punch. It was hard to believe that he—William Clinton Jarvis, 375 a week publicity writer—was actually in a place like this. Nor would he have been had not Beverly Coulter, all boiled into mink and topped off by Lilly Dache, swept into her father's office one day last winter, definitely a dream walking. And providentially general Joe Coulter—brains of Joseph P. Coulter Associates, Public Relations Counsellors—had as yet failed to return from lunch.

Beverly, looking expensive heels in her father's sanctum, borrowed a match from Bill when he happened in to leave papers for Mr. Coulter's attention. Which is how it had all begun.

Bev was one of a foursome at a corner table in the lounge. Bill had met Caroline Marr, a flashing blonde, that morning. He'd also been introduced to the little chap, Dick Trevan. The big taffy-haired fellow with shoulders like an ox and one capable arm hooked carelessly over the back of his chair, undoubtedly was Lloyd Williston. The blond giant didn't get up as Bev introduced him as Lloyd Williston.

"Lloyd's an aviator and he's asked me to take a plane ride with him," Bev said. Bill said he didn't care if he did. He dragged up a chair, wedging Bev in between himself and Lloyd. Bev asked: "Well, how was the tennis?"

"Lloyd's an aviator and he's asked me to take a plane ride with him," Bev said. Bill said he didn't care if he did. He dragged up a chair, wedging Bev in between himself and Lloyd. Bev asked: "Well, how was the tennis?"

A Killer And Rapist Held In Cincinnati

Royal Oak, Michigan, Young Man Admits Crime While Excited

CINCINNATI, June 13—(AP)—A tall, curly-haired youth from Royal Oak, Mich., was arrested here last night in connection with the slaying of a father of four and the rape of the victim's wife near Detroit earlier today.

Cincinnati police said Walter Marvin Noth, 21, freely admitted the slaying and rape, but pleaded he was drunk and excited.

The killing and rape occurred at a lonely "lover's lane" spot near Detroit. Prosecutor Fred Nicholson of Macomb county, a Detroit suburban area, said tonight he had recommended a murder charge against the youth.

A Partner Released
Noth and Clifford Pedersen of Royal Oak township, Mich., were co-owners of a truck found at the site of the crime. Pedersen was arrested earlier but was released after questioning.

Eugene Schaaf, 40, a Hudson Motor Co. worker, was shot to death and his wife, Beulah, 31, was raped.

Noth was arrested as a result of a description and license number of the car in which he was riding—a car which belonged to Schaaf.

Patrolmen Rupert Meiering and Edward Ruwe jumped into their cruiser and took off in pursuit. They were joined by another cruiser and both prowl cars forced Noth to the curb. He offered no resistance.

Tells Of Murder And Attack

Mrs. Schaaf told Detroit police a youth jumped on the running board of the car in which she and her husband were riding home from a tavern before dawn today. When Schaaf refused to leave the car, she told police, the youth fired a single shot into him from a pistol then dragged her into a nearby field and attacked her. She said he believed her assailant had a companion with him when he drove off in the Schaaf's car.

To Recover After A 50-Foot Fall To Floor

OKLAHOMA CITY, June 13—(AP)—An iron worker fell 50 feet to a concrete floor at Tinker Air Force base Monday, but doctors said he will recover.

Joe Crozier and E. J. Breckenridge were installing a sprinkler system when the scaffolding gave way. Crozier apparently dropped over the safety supports. Breckenridge grasped the supports and did not fall.

Doctors said Crozier had many broken bones in his feet, a fractured left knee and three fractured vertebrae.

"But he will recover," one said.

Receives B. A. Degree Friday

Arthur L. Klang, son of Mr. and Mrs. A. W. Klang, 700 South Park avenue, was graduated Friday from the University of Missouri with a degree in Business Administration.

His parents and grandmother, Mrs. L. H. Archias, 1213 West Fourth street, attended the commencement exercises and were guests at a luncheon given by the Phi Kappa fraternity of which he is a member.

Former Trenton Mayor Shot Himself To Death

TRENTON, Mo., June 13—(AP)—Stanley Stroff, former mayor of Trenton, shot himself to death today at his home, Coroner William A. Fuson said.

A dispatcher for the Rock Island Railroad nearly 40 years, Stroff was mayor from 1943 to 1947. His widow, a daughter and two sons survive. Funeral services will be Wednesday, 2 p. m.

The ancients consulted the birds for the purpose of foretelling the outcome of all important undertakings.

Tomorrow is Circus Day!

Circus Day Highspots rush back to mind in this spangle-lane panorama which will unfold at the Missouri State Fairgrounds tomorrow when the 1950 edition of Mills Bros. 3-ring circus, menagerie and horse show is presented at 2 and 8 p. m. under the sponsorship of the Sedalia Chamber of Commerce. The local group is raising money for its promotion fund.

Circus champions from eighteen nations including American, English, Dutch, South African, Swiss, Cuban, Spanish and Chinese artists, performing elephants, trained animals, clowns, aerialists and other sawdust-land favorites are featured in Mills Bros. mid-century edition.

Hungary Dissolves Free Mason Lodges

BUDAPEST, Hungary, June 13—(AP)—The interior ministry announced last night that Hungary's Free Mason lodges had been dissolved.

The dissolution was carried out earlier today. The announcement called the lodges "the meeting places of the enemies of the people's democratic (Communist) Republic, or capitalist elements, and of the adherents of western imperialism."

The Hungarian lodges celebrated their 200th anniversary this year.

Chillicothe Man Believed Killed By Train Near Bucklin

BUCKLIN, Mo., June 13—(AP)—The body of a man identified as Edwin Franklin Allnut, 41, of Chillicothe, Mo., was found along the Burlington right-of-way by a section crew Monday.

Authorities said it was believed he was knocked from a trestle by a train. The body was found at the edge of Thayer Creek near here.

Raymond Hood Issued A 3.2 Beer License

Two 3.2 beer licenses were granted by the county court Monday afternoon to the following: Raymond F. Hood for the Rock Hill Service station, expires, December 5, 1950 and to William H. Biles for Houstonia Cafe, expires June 15, 1951.

Eye Cautions

Bright, glaring light tires eyes. Avoid reading in a shadow. Diffused, indirect light is restful. Injured As Boat Goes Over Dam

BRANSON, Mo., June 13—(AP)—An army captain was injured on Monday when a motor boat went over the dam of Lake Taneycomo near Forsyth, Mo.

The Skaggs Memorial hospital, where the man was taken, said he was Capt. Oran Rupert, 35, Killeen, Tex. The hospital said he was in deep shock, but the extent of his injuries had not been determined.

An attendant at the dam said the officer was taking pictures from the boat when the craft went over the dam. As he fell he hit an obstruction. The attendant fished him from the water below the dam.

Drive-In Restaurant Ass't Manager Robbed

KANSAS CITY, June 13—(AP)—Loren Roth, assistant manager of a drive-in restaurant, reported Monday he was robbed of \$5,000 in currency and checks.

Roth said two men entered his car while it was stopped for a stop light, and after driving for about a minute forced him out and told him to run.

He said the money and checks were in a paper sack in the back seat of his car. One of the men was wearing dark glasses, Roth said.

Boy Killed Playing In Cardboard Box

KANSAS CITY, Pa., June 12—(AP)—Truck driver Glenn Ransley eased his big van through a littered alley in this western Pennsylvania town Monday. The big wheels ground over assorted junk, including a battered cardboard box.

Two hours later Ransley's truck was halted by state police in a little town eight miles away. The troopers said Ransley's truck had crushed to death a four-year old boy who had been playing in the box.

The victim was Joseph Roy Croyle Jr. his parents reported him missing when he failed to return home for his lunch after playing in the nearby alley. There were no charges against Ransley.

Rangers report that bears have demolished the third sign in the series.

Milking Machine Blamed In Death Of Two Cows

LAWRENCE, Kas., June 13—(AP)—A milking machine is blamed for the death of two cows belonging to Charles Saile, Lawrence dairyman.

When Saile turned on the milk-er Saturday morning, some of the 10 cows to be milked fell to the floor. Two of them were dead.

An investigation disclosed a short in the milker motor had electrocuted the animals. The line carried 110 volts.

OBITUARIES

L. G. Comer
L. G. Comer, 63, died at his home at California, on Tuesday afternoon June 6, 1950. He had been in failing health for the past few years and had been bedfast for the past six months.

He was born north of California, Mo., the son of the late John and Sally Comer on July 4, 1886. Mr. Comer was married on October 16, 1910 to Miss Mae Allee, daughter of Mr. and Mrs. Walter Allee who survives. He is also survived by two sisters and one brother, (Lila) Mrs. Bert Thixton of Fortuna, Mo., (Artie) Mrs. George Thompson, and Gordon Comer both of near Latham, one niece Mrs. Marion Shores of California, and three nephews, Roy Thixton of near Jefferson City, John T. Thixton of Kirkwood, Mo., and Hughie Thompson of near Latham.

He was preceded in death by his parents, his mother passing away in October 5, 1930 and his father on November 24, 1934, also three brothers Burke and Allen who died in early manhood and Jack who died in infancy.

He united with the Pilot Baptist church when a young man. He was employed with the state highway department for 11 years and for the past few years had devoted his time to his farm east of Latham.

Funeral services were held at the Flag Springs Baptist church on Thursday afternoon at 2:30 o'clock with the Rev. J. L. Freeman of Versailles officiating and burial was made in the church cemetery.

Pallbearers were Lawrence Whittenburger, Carl Burger, Adeline Hamlin, John Dowler, Charles Gilmore, and O. D. Scrivner.

Mrs. Caroline Lehman
Mrs. Caroline Lehman, died at her home on May 29 near Bethel Mennonite church after an illness of several years.

She was the daughter of the late Chris and Barbara Garber was born on June 12, 1861, and at the time of her death was 88 years old.

In October 1883 she was married to Ulrich Lehman of Wayne, county Ohio and who preceded her in death a number of years ago. To this union was born seven children, two of whom preceded her in death, Mrs. Linda Geiser and Johnny Lehman.

Mrs. Lehman is survived by the five children, Allen Lehman of near Fortuna, Mrs. Bertha Fulk of Delroy, Ohio, Mrs. Hattie Jackson of Fort Cobb, Okla., and Elmer Lehman of near Latham and Homer of the home. Also four brothers, John, Joe, Will and Ben Garber of near Versailles, two sisters, Mrs. Emma Aeschbacher and Mrs. Bertha Lehman, 28 grandchildren, 38 great grandchildren, and one great-great grandson.

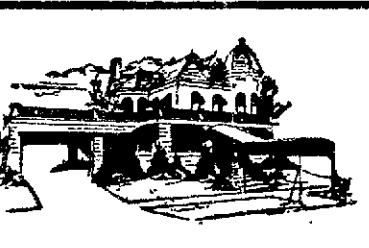

Funeral services were held on June 1, at the Bethel Mennonite church with the Rev. Albrecht pastor of the church officiating, and burial was made in the church cemetery.

Pallbearers were grandsons, Lawrence Fulk, John, Miller, Allen Jr. David and Dorsey Lehman.

Mrs. A. T. Purnell
Mrs. A. T. Purnell, 81 years of age, died at her home at Deepwater at 12:00 noon Saturday. She had been in failing health for sometime but her death was unexpected. She expired at the dinner table and was with her eldest daughter, Mary, wife of Dr. J. P. McCann of Ozark.

She was married at Warsaw to the late Thomas Abham Purnell, who died February 16, 1931. To this union ten children were born, two of whom died in infancy and one, Sally, died at the age of five years.

Surviving are: Mrs. Mary McCann, Luther Purnell, Arkansas, Kas., Bessie, wife of Lester Rose, El Dorado, Kas., L. R. (Jack) Purnell, LaMonte, Mrs. Maggie Purnell, Akron, Ohio, Nellie, wife of Wade O'die, Pittsburg, Kas.,

For the comfort of the families we serve—the friends who call to pay their last respects—for those who attend a memorial service—our funeral home is completely air-conditioned with the most modern and efficient air-conditioning equipment available.

Republican Women Hear Mrs. Crews

Report Given on Convention Held at Jefferson City

The Pettis County Republican Women's Club held its monthly meeting this afternoon before a slim crowd, believed due to the heat, in the Assembly Room of the courthouse, with Mrs. George E. Crews, of Tulsa, Okla., as the principal speaker.

Mrs. Crews, who is a daughter of Mr. and Mrs. John Palmer and a sister of Miss Hazel Palmer, of Sedalia brought out in her speech that "The basis principle of the Jeffersonian Democratic party and the basic principle of the Republican party are the same, all for the preservation of our country, but the new deal has come in and has become entrenched through policies which are not Jeffersonian policies."

Miss Rose Leibbrand, president, presided over the opening exercises and the business meeting, which was followed by a musical program in charge of Mrs. Herbert Shepherd. Mrs. Shepherd played several piano solos and accompanied Miss Mary Ann Kuhlman, soprano, a pupil of Mrs. Percy Metcalf, in a group of songs.

Report on Convention
Mrs. Fred Rose gave a detailed and interesting resume of the State convention of Federated Republican Women's Clubs, which was held in Jefferson City on June 3, with about 400 women present from all sections of Missouri.

A brief period of instruction was given in the voting laws pertaining to the oath available to those who were unable for valid reasons to register prior to election day.

A general discussion was held on political issues of the day, with emphasis on those pertaining to coming 1950 elections. Miss Libbrand announced that a one-day school of instruction under the auspices of the National Federation of Republican Women's Clubs would be held in Clinton on June 20, and members were asked to indicate their desires if they wished to attend this meeting.

Mrs. Fred Rose was appointed chairman for a picnic supper meeting July for the Pettis County Republicans.

New Strikes Developed

(Continued from Page One)

picket line which AFL printers refused to cross. The paper missed its first edition and officials said they doubted they could publish.

The union has demanded a 10 per cent wage increase.

Other issues were involved, including shorter work weeks, security, union preference in hiring, arbitration of staff reductions, night differentials and holidays.

The strike affecting CBS television shows caused substitutions last night for six scheduled programs, including two leading features, "The Goldbergs" and "Studio One."

It stemmed from negotiations involving nearly 600 members of the AFL International Brotherhood of Electrical Workers in New York, Hollywood, San Francisco and Washington, D. C. The issues are wages, working conditions and security. The I.B.E.W. asked raises which would lift beginning salaries from \$65 to \$70 a week and salaries of those with five-year employment records from \$128.50 to \$145 weekly.

Disappointed As to Position Of British

(Continued from Page 1)

tended that the Western European area had to move toward internationalism — particularly through economic integration — if it was to stand up successfully against Eastern Europe and Communism.

Britain goes along with that idea for the continental countries but will not accept it for the British Isles. British policy has consistently called for the United Kingdom to maintain a cooperative but independent relationship among Europe, the United States and the British commonwealth.

This British policy made it apparent months ago that a strictly Western European set up, including Germany, was unworkable even though it had been an American objective under the Marshall plan.

In the view of American officials, France would never accept partnership with Germany unless Britain was also a full partner in the European association.

As a result of Britain's attitude, the American government has eased up on talk about European integration and has switched the emphasis now to the idea of forming a true North Atlantic community with Western Europe, Britain and North America. The Schuman plan, coming at the time of the recent London diplomatic conferences, threw a new element into this situation.

Up to Property Owners For Cutting Weeds

Once again, as per usual about this time of year, the telephones in the Mayor's and City Engineer's offices are buzzing with property owners asking the help of the city to come out with a mower and dispose of their weeds, which have popped up recently, due to the generous rains.

It was brought out at the city hall, that the city owns only one mower and it is to be used to mow weeds and grass growing along public streets and alleys.

It is up to the property owner to take care of his own weed crop growing upon his private property either by cutting the weeds himself or having it done by hired mowder operators.

City ordinance No. 3175 prohibits owners, lessees, occupants, or mortgagees of any lot of ground or part of any lot of ground within the city of Sedalia or their agents, servants, representatives or employees from allowing or maintaining on any such lot any growth of weeds to a height of over one foot and providing violation of this ordinance to be a misdemeanor and fixing a penalty for the violation thereof.

Section II of that same ordinance reads: "The word 'weeds' as used herein, shall be held to include all rank vegetable growth which exhale unpleasant and noxious odors, and also high and rank vegetable growth that may conceal filthy deposits."

Activities In The County Court

The court granted license to Raymond F. Hood to sell 3.2 beer at the premises of Rock Hill service station, Sedalia, route 4. The license is to expire December 10, 1950.

On that day, the court granted license to William H. Biles, to sell 3.2 beer at the premises of Houstonia Cafe, Houstonia, Mo. The license is to expire June 15, 1951.

Doubt Deep Cut In Employees

WASHINGTON, June 13—(P)—The head of the civil service commission said today it isn't likely there will be any large cut soon in the number of federal employees.

Taking note of some of the congressional clamor for wholesale firings of government workers, Chairman Harry B. Mitchell declared:

"The fact of the matter is that so long as the present international situation continues there is very little chance of reduction in the defense organizations and this is where the great increase has taken place since pre-war days."

In a speech prepared for a tri-state convention of the National League of District Postmasters, Mitchell gave this breakdown on federal workers:

April, 1940 — 859,972 federal employees.

April, 1950 — 1,917,527, not counting census takers.

But here is where the increases have mainly come, according to Mitchell; the defense department has gone up from 227,863 to 744,381 and the Veterans Administration from 39,681 to 169,722.

On the other hand, Mitchell said, the departments of agriculture and labor have shown decreases.

Population Up In Cole County

COLUMBIA, Mo., June 13—(P)—Cole County's population increased by 251 to 35,163 and Carroll county decreased by 2,380 to 15,434 in the census tabulation announced here by Marvin W. Smith, district supervisor.

Smith said that Jefferson City's population increased to 24,268, and Carrollton to 4,369 from 4,070 during the last 10 years.

Present populations of other towns in Cole county, and the comparative figure for 1940, include: Eugene 175 and 232, Henry 64 and 87, Centertown 244 and 271, Lohman 124 and 100, and Russellville 337 and 319. Carroll county: DeWitt 252 and 314, Norborne 1,109 and 1,239, Hale 452 and 562, Bosworth 499 and 505, Tina 233 and 274, Bogard 281 and 334, and Wakenda 254 and 253.

The complete census of the 15-county district as announced by Smith includes:

County	1950	1950
Benton	9,036	11,142
Hickory	5,277	6,605
Miller	13,707	14,798
Howard	11,821	13,028

Admitted for surgery: Lloyd Decker and Clyde Decker, sons of Mr. and Mrs. Archie Decker, 1412 South Ohio avenue.

Dismissed: Richard Rucker, White Spot Trailer court.

Truman To Lunch With Democratic Governors

WASHINGTON, June 13—(P)—President Truman will lunch with Democratic governors here Saturday. The affair will be a preliminary to the annual conference of all the state governors at White Sulphur Springs, W. Va., starting Sunday.

Marriage License Issued

Ralph D. Woodford and Ann L. Goist, both of Sedalia.

Selling Flurry Lowers Stocks

NEW YORK, June 13—(P)—A last-minute selling flurry cracked down on an attempted rally in the stock market today.

Closing prices showed a substantial majority of losses totaling fractions to around a point.

Santa Fe was the star performer in the carrier division with a four-point jump at one time. This was reduced late in the day. Some other rails lacked on gains of fractions to around a point.

The balance of the market was not entirely successful in recouping losses which ran to around two points. Steels, autos and an assortment of top-grade industrial were hardest hit.

Business was brisk through the day with turnover at a rate of around 1,700,000 shares for the full session.

Today's selling pressure was regarded as no more than normal in view of the recent surge of demand for blue-chip stocks.

Rails in demand included N. Y. Central, Canadian Pacific and Seaboard Air Lines.

On the losing side were Bethlehem Steel, General Motors, Chrysler, Woolworth, Caterpillar, Tractor, Radio Corp., American Telephone, Phelps Dodge, Allied Chemical, Dow Chemical, General Electric, Standard Oil (NJ), and U. S. Gypsum.

Corporate Bonds were lower.

Chiefs Hold First Place In League

Possession of Top Spot Changed Three Times Last Week

MOBERLY, Mo., June 13.—(AP)—Sedalia's Chiefs, a co-favorite with Moberly in the pre-season forecasting, have moved into first place in the topsy-turvy race for the Central Missouri Ban Johnson league southern division pennant.

Possession of first place in the balanced southern division changed hands three times last week with Mexico's slump-ridden Ramblers, then Boonville's Pirates and now Sedalia in command.

Still running wild in the northern division are the Brookfield Bombers, who haven't been beaten in ten league starts.

Brookfield will be bidding for its 11th and 12th victories Friday night at Kirksville and Sunday night at home, against Macon.

Road Games For Chiefs
Sedalia will try to protect its half-game southern division edge in road games Thursday night with Columbia's McKays and on Sunday night with Jefferson City Stags.

Other upcoming games:
Northern Division: Chillicothe at Kirksville, Tuesday; Macon at Unionville, Newtawn at Chillicothe, Wednesday; Chillicothe at Kirksville; Unionville at Newtawn Sunday.

Southern Division: Jefferson City at Boonville, Tuesday; Mexico at Moberly, Thursday; Boonville at Columbia, Friday; Boonville at Moberly, Columbia at Mexico, Sunday.

Northern Division			
	W.	L.	Pct.
Brookfield	10	0	1.000
Unionville	7	3	.726
Kirksville	4	3	.571
Chillicothe	3	3	.500
Macon	0	6	.000
Newtawn	0	9	.000

Southern Division			
	W.	L.	Pct.
Sedalia	7	3	.700
Boonville	6	3	.667
Moberly	5	3	.625
Mexico	4	5	.444
Jefferson City	4	6	.400
Columbia	3	7	.300

Spotlight is on Newcomb in Track

LOS ANGELES, June 13.—(AP)—The big question in NCAA track and field circles today is: Will Jim Newcomb, the super chieft from Southern California, run one or two miles come next Saturday?

The 21-year-old Shawnee-Delaware Indian is a major threat at either distance and is expected to bolster the Trojans' point total in their bid to defend their title.

Only a Sophomore, the rangy Portland, Ore., lad has posted marks of 4:07.7 for the mile and 9:07 for the two-mile this season.

The mile figure, incidentally, is the fastest for a collegian since Archie San Romani of Emporia (Kas.) Teachers and Don Lash of Indiana ran a dead heat in 4:07.2 in 1937, and the best ever done by a westerner on the West Coast.

Sweet Springs Team Wins Softball Game

In their first game of the year, the Sweet Springs V.F.W. softball team defeated Concordia at Sweet Springs by a score of 1 to 0.

Luetjtin hurled two hit ball for the victors and Rustor of Concordia allowed five. The lone run came in the second inning, when Bob Mutz led off with a single and Gilbert's grounder was fumbled, putting two men on base with nobody out.

The runners were advanced to second and third on an attempted force play and Mutz scored on Hillehenner's long fly.

The only threat Concordia players gave was in the last inning, when they loaded the bases with two out, but Luetjtin got the batter to pop to the left fielder to end the game.

Sedalia Cubs go to Jeff. City Tonight

The Sedalia Cubs will journey to Jefferson City this evening, where they will face the Jeff City Redbirds tonight at 8:15 o'clock.

Jack Alpert, manager, will send in Bob Rapp, young righthander hurler to pitch for the Cubs. Carl Barber will be behind the plate for the Sedalia club. The manager said Jack Slocum will be shifted from the infield to the outfield.

Thursday night, the Cubs will play host, under the lights of Liberty Park, to the strong New Orleans Creoles.

DANCE MISSOURI BOWL

Thurs., June 15th
Music By Bach's 5-Piece Combo

Legion Game at Park Tonight

The Sedalia Post 16 squad and the Boonville club, will tangle in a Junior American Legion baseball game tonight, under the lights of liberty Park, starting at 8:00 o'clock.

The Sedalia team isn't at its best with a couple of boys on the doubtful list, due to injuries. Dey has a sprained ankle, and Arnold is suffering from a shoulder injury.

Johnson and Arnold are due to pitch, with Cochran, catching.

Friday night, the Sedalia squad will face the Sedalia Teen-Age Blues at Liberty Park.

A Glance at Each of Big League Teams

By JACK HAND
Associated Press Sports Writer

Seriously disturbed by Detroit's solid strength, the New York Yankees remained hopeful today of making a major deal before the Thursday midnight deadline.

The world champions, have more respect than ever for the Tigers after watching them bounce back from two Yankee stadium defeats to win the finale and then sweep three straight at Boston.

Yanks' Problem
The Yankee pitching situation is desperate. Johnson, sidelined by a skin ailment, remained in New York when the club headed west. That left Casey Stengel with seven pitchers, including Joe Page and Duane Pilette. The latter just recalled from Kansas City. Page, troubled by a sinus condition, has pitched only one inning since June 3.

A look at the June records emphasizes Detroit's sizzling pace. Although they still trail the Yanks by a half game in the won and lost columns, they're out front by .002 in percentage points.

Since they left Briggs stadium, the Tigers have won 10 and lost two.

The Red Sox, winning only six of 11 at Fenway park against the west, ventures into the badlands where they have failed so miserably in the past.

The Yanks break in easy with three at Chicago and four at St. Louis before riding into Cleveland and Detroit on their 13-game jaunt. They took 8 of 13 at the stadium against the western teams.

Despite the telephone number scores at Boston, the St. Louis Browns won 7 of 12 in the east. Now they open at home against Washington.

Brooklyn Home Stand
With Branch Rickey still scouting the circuit for pitching help, Brooklyn comes home to play 16 games at Ebbets field, trailing St. Louis by two full games.

Eddie Dyer's Cardinals piled up an 8-3 record at Sportsman's park. Now they face a long tough 17-game road trip, opening in Philadelphia tonight.

The New York Giants were the sensations of the league until they hit St. Louis and dropped a three-game series. Now they come home to the Polo grounds, where they have played poorly all season, to open against Pittsburgh. In the west, Leo Durocher's boys stepped at an 8-4 pace.

Phils Lost Ground
Despite a better-than .500 record of 5-4 in the west, the Philadelphia Phils lost ground in the race. They went away second by 1 1/2 games and came home third by 2 1/2. First team in is St. Louis.

Chicago righted itself above the .500 mark after a dip below during the Giant series. And now is tied for fourth place. The Cubs are the real surprise of the league, only six games off the pace.

James Brink Seeded No. 1 In Tennis

Initial Matches in Men's Singles Will Be Completed Today

KANSAS CITY, June 13.—(AP)—Top seeded players in the men's singles division complete their initial matches in the Heart of America tennis tournament today.

Competition also was scheduled in women's singles, junior singles, girls singles and doubles. First-round play in the men's singles opened the tournament yesterday.

James Brink of Seattle, Wash., seeded No. 1 in men's singles, was scheduled for an afternoon second round match.

He meets the winner of a match between Melvin Hiller of Winfield, Kas., and Clark Armstrong of Kansas City.

Brink is favored to capture the men's singles crown, but he has little edge over such players as Gustavo Palafox, Mexico City; Hal Surface, Jr., Kansas City; Hamilton Richardson, Baton Rouge, La., and Fred Fisher, Seattle.

Civic Clubs Open Softball League

This evening at 6:00 o'clock the Civic clubs of Sedalia, will begin a softball league that will play every Tuesday night.

The only rule change from regular softball will be that both teams will have to change pitchers every inning.

This evening the Lions club will play the Junior Chamber of Commerce and the Rotary club will meet the Kiwanis club.

The Lions club and Junior Chamber of Commerce will play on the northeast diamond and the Rotary and Kiwanis will play on the diamond by the swimming pool.

Ringen-Brushy Softball Team Wins Two in Row

The Ringen-Brushy 4-H club softball team played their first game of the season with Striped College, June 4. Sylvan Demand was the Ringen-Brushy pitcher, leading them to a 27 to 10 victory.

The second game of the season was played with the Smithton 4-H club at Ringen school, June 11. Sylvan Demand again led the Ringen-Brushy team to a 21 to 19 victory.

Sweet Springs Player With Wisconsin League

Russell Gilmore of Sweet Springs, son of Mr. and Mrs. George Gilmore, who has been playing baseball with the Ponca City Dodgers, has been sold to the Sheboygan club of Wisconsin State League. He is now in Ardmore, Okla.

Pirates Recalled One and Released Another Pitcher

PITTSBURGH, June 13.—(AP)—The Pittsburgh Pirates today recalled southpaw pitcher Frank Papish from Indianapolis of the American Association. At the same time, the club released out-

right pitcher Forrest Main to the Indians.

Main had a 9 and 7 record with Indianapolis last year. Papish was acquired from Cleveland. His 1949 record showed one win against no defeats.

Walker Made Good Showing

Ralph Walker, son of Mrs. Estelle Walker of 1217 West Fourth street has returned home from the New York Yankee's national tryout camp at Branson.

While he was at the camp, Walker made a good average at the plate. He got eight out of eighteen times at bat and connected with the only homer of the camp period, a triple, three doubles and three singles. It has been reported that he was offered a contract plus a bonus. He said he didn't know "for sure" if he would play pro-ball and added that he was contemplating attending college this fall.

The camp was under the direction of Lee McPhail with Tom Greenwade, in charge of the scouting.

Sedalia Knights Play At Leeton Tonight

The Knights of Columbus softball team will journey to Leeton tonight to play a Tri-County league game with that team.

Rain and bad weather have caused a number of postponements in the league play for the Knights and the other teams. The schedule is being adjusted to play these games.

Players will leave the Knights of Columbus hall at 6:30 this evening for Leeton.

7 Home Runs In Less Than Four Innings

Two Teams Staged Thrilling Game While it Lasted

Louisville climbed to within two games of the lead Monday night, but most American Association excitement came in a St. Paul-Minneapolis home run binge which was stalled in the fourth inning by rain.

Before a deluge forced the game at Minneapolis off the record books and into postponement in the first of the fourth, the clubs appeared well on their way to an all-time American Association home run record.

In 3 1/2 innings, seven four-baggers had been belted, only three shy of the loop mark of 10. The Saints led 11-7 when it was called. They got eight runs in the second game.

Tonight's schedule:
St. Paul at Toledo,
Minneapolis at Columbus,
Milwaukee at Indianapolis,
Kansas City—2 nature at Louisville.

The Standings:				
	W.	L.	Pct.	GB
Minneapolis	30	16	.652	—
Louisville	30	20	.600	2 1/2
Indianapolis	21	22	.489	2 1/2
St. Paul	24	24	.500	7
Columbus	21	28	.447	9 1/2
Kansas City	20	27	.426	10 1/2
Milwaukee	20	27	.426	10 1/2
Toledo	18	32	.360	14

right pitcher Forrest Main to the Indians.

Main had a 9 and 7 record with Indianapolis last year. Papish was acquired from Cleveland. His 1949 record showed one win against no defeats.

'Street Corner' Coming to Uptown

Will Show Today Wednesday And Thursday

"Street Corner" is the story of a typical American family who live in a typical American small town. Lois Marsh is a lovely 17 year old high school senior, the only child of Arnold and Clara Marsh, both respected members of the community. Like thousands of other parents, however, the Marshes are inclined to shirk their parental responsibility toward their daughter when it comes to affording her the proper information on family relations and social hygiene.

Despite the protestations of Doc Fenton, long-time friend of the family and a man of progressive ideas with regard to sex education and the need for careful guidance of young people during their adolescent years, the Marshes fail to heed his oft repeated warnings of possible tragic results of their prudence and lack of frankness with their daughter.

The dramatic story moves rapidly toward its climax as the inevitable mistake is made by the uninformed girl and the powers of fear and ignorance assert themselves so completely as to engulf her in a morass of pathos and despair.

"Street Corner" is a straightforward story, well written, directed and produced by some of Hollywood's finest technicians. The members of the cast, without exception, give convincing performances and Marcia Mae Jones and Joseph Crehan are outstanding in the starring roles.

Woven into the story are several powerful medical sequences dealing with such vital topics as conception, child birth and venereal disease. These subjects are openly and frankly portrayed on the screen.

Curtis Hayes, noted commentator and lecturer, appears in person on the stage during each performance. His brief but interesting talk on social hygiene and sex education is a highlight of the show.

Nurses are on duty in the theatre during all performances of the picture as a precautionary measure to care for those who faint during the showing of the medical sequences.

Because of the delicate nature of the subject matter in "Street Corner," the picture is shown to segregated audiences only. Performances for women and girls of high school age are at 2 p. m. and 7 p. m. The showing for men and boys of high school age is at 8 p. m. Men's tickets go on sale at 7:30.

Results of The Twilight League

The Georgetown aggregation beat the Glass Factory softball team Monday night, 12 to 2, and went into undisputed possession of first place in the Sedalia Twilight softball league.

For Georgetown it was Young on the mound and Hoebag behind the plate, making the second victory for Young, against no defeats. The Glass Factory boys got five hits and two runs while Georgetown collected 12 runs on ten hits.

In the other game that evening Washington Park defeated Hughesville 8 to 4 in a game that was called at the end of three innings because of darkness.

The battery for Washington Park team was Craig, pitching and Palmer, catching. N. Janney pitched and K. Jonney caught for the Hughesville team. Hughesville made four runs and three hits, while Washington connected with ten hits to score eight runs.
